

2024 Canterbury Schools Orienteering Champs & South Island Secondary School Champs

papo.org.nz

Get outdoors & find your navigational skills

This year the 2024 Canterbury School Orienteering Festival is combined with the South Island Secondary Schools Championships

In the lead-up to the South Island Secondary Schools Championships (SISS) and the Canterbury orienteering School festival weekend we have training & coaching sessions.

Coaching opportunities: Training events will be held at different venues around Christchurch at 4pm on weekdays in the 4 weeks leading up to the event for only \$2. **Please check the website** for updates on where to meet in case of event changes: <https://papo.org.nz>

Festival & SISS champs format: Find all the controls in order over a short distance (1-3.5km). Punch the start and finish, and every control in numerical order on your course. Harder courses will have lots of controls to find and lots of fast decision making.

Festival & SISS champs cost: \$10 per child per day. (Includes hire of a Sportident stick). Online entry by 2 September.

Saturday 7 September 2024

Urban / park event @ South New Brighton

Urban park setting, paved areas, pathways, bridges and garden areas.

Sunday 8 September 2024

Forest event @ Bottle Lake

Pine Forest with easier courses will use tracks through the forest, and harder courses using have off-track controls.
